

# Thailand International Cooperation Agency (TICA)

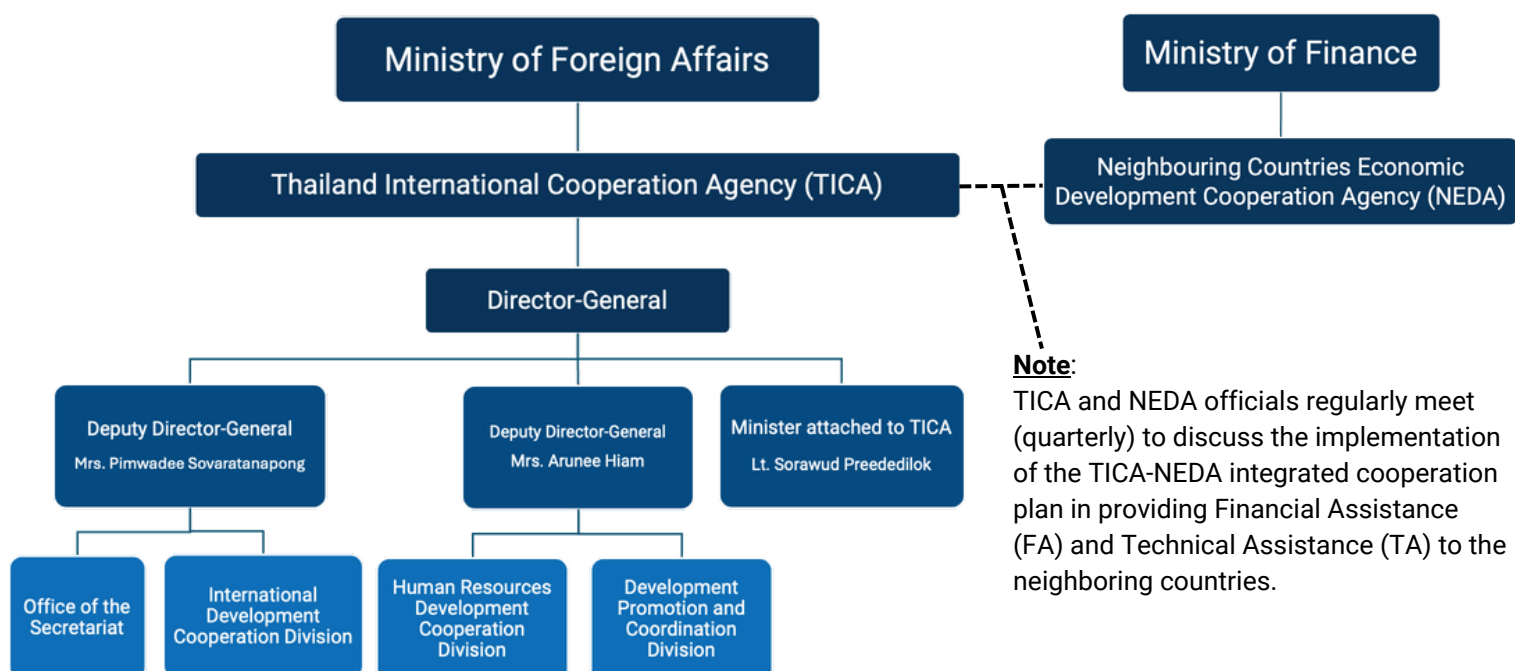

Established in 2004 as part of Ministry of Foreign Affairs of Thailand, TICA's vision is

- 1) to promote efficiency and creativity in Thailand's development cooperation;
- 2) to foster good relations and sustainable development in the international arena; and
- 3) to contribute to the wellbeing of the global community.

## Mandate

## Institutional structure

## Type and Focus of Support

### Type of Support

- ✓ Technical assistance/capacity development project  
Duration of the project is usually 6 months – 2 years. Please contact TICA at [saraban1600@mfa.go.th](mailto:saraban1600@mfa.go.th) or through the Royal Thai Embassy for more information.
- ✓ Training programmes ([link](#))  
**Annual International Training Courses (AITC)**
- ✓ Scholarships ([link](#))  
**Thailand International Postgraduate Programme (TIPP)**
- ✓ Other forms of support:  
**Friends from Thailand (FFT) Volunteer Programme**

### Focus Areas\*

\*TICA's Strategic Plan 2023-2027 (in Thai)

- Agriculture and rural development
- Healthcare
- Education and human resource development
- Science and technology
- Local economy development
- Trade and industry
- Energy and environment
- Tourism
- Sufficiency Economy Philosophy (SEP) for SDGs

### Geographic Focus

- Neighboring countries
- Other countries in Southeast Asia, and countries in South Asia, Africa and Latin America

## Development Agencies with whom TICA has MOU/Agreement

Argentina, Australia, Brazil, Canada, Chile, Cuba, Israel, France, Germany, Hungary, Japan, Luxembourg, Mexico, Peru, Philippines, Republic of Korea, Singapore, Sweden, Türkiye, United States of America

## Highlights of activities

- **Modus Operandi:** TICA centers its international cooperation on South-South and triangular cooperation through scholarships, projects, programs, Friends From Thailand volunteers, and international partnerships.
- In 2021, "Friends From Thailand Volunteer Programme" and "Sustainable Tourism and Sufficiency Economy in Mongolia (Thailand-Germany-Mongolia trilateral project)" were named SDG Good Practices by UN DESA to be success stories in SDGs implementation.
- Example of Capacity Building projects:
  - 2023: Maternal and child health in Timor-Leste (with UNFPA).
  - 2024: Organic agriculture for farmers in Lao PDR (with ITC and EU).
